

We were the DJs at the Boots 'n' Buckles dance last night, 2/8/13, in Fremont, CA. The dances are listed below.

Predance:

To Eternity
The Claxton Stomp & Go
Amalgamation
Time Bomb
Pavement Ends
Dog River Blues
I'll Walk With You

Regular Dance:

The top 5 with the most request initials were:

Drive By (most, 15)
I Wanna (next, 14)
Together We Dance (same, 14)
Spanish Harlem (next, 13)
Night Nurse (same, 13)

Request initials are only One criteria to help determine what the current popular dances are. BUT, there are folks do not sign their initials; however they will run to the dance floor nevertheless for dances they like and the floor gets full. So, the Full dance floor is definitely another very important indicator. Of course the request sheets are an important guideline for the DJ; we all know that.
