

December 13, 2013, Boots 'n' Buckles Christmand Dinner/Dance Playlist:

Wow! What a fabulous evening Boot 'n' Buckles had! Just over 100 people in attendance eating and dancing with friends. Thanks to all. Special thanks to our featured instructors, Michael Barr & Michele Burton, and their students. Their 5 favorite dances played were: Hot Tamales, Love Repeats, Rockin' The Wagon Wheel, Doors of Life, American Pop. The featured dance taught was "Light In The Winter."

Dances that were played that had the 5 top request spots are below (many others were only 1 or 2 away). It's not only the number of request initials next to a dance, it's how many are actually on the floor of course. The request list is certainly a major factor as well, no doubt about it. There are several folks who like to count the number of initials, so something to keep in mind--frequently 1 person's initials may take up more than 1 initial square. The floor was packed the entire evening, and still full at 11:30 pm when the evening ended! Played 38 dances (including 6 out of 8 dance cards).
