

We were the DJs at the Boots 'n' Buckles dance on Sept. 12, 2014. This was our last DJ gig at BnB, as we are retiring from the DJ world as many of you know. I've been DJing for the last 20 years and Denny the last 10 with me. Wonder how many remember when I started DJing the YWCA dances in Palo Alto back in 1994! I wouldn't have traded any of the years for anything. But, it's time to retire. Thank you to BnB for the incredible certificate for "Lifetime Membership in BnB." Wow!

Dances with most requests (top 3 spots only). There were only 1 or 2 request initials separating them, and only 1 or 2 separating those below these top 3. There were 8 dance cards during the evening. The energy in the room was very high all night.
